

Hydralex Global - A Recognized Global Leading Provider of High Quality Hydraulic Components

Products We Offer

- Inline Piston Pumps
- Radial Piston Pumps & Motors
- Bent Axis Piston Pumps & Motors
- Fixed Volume Vane Pumps
- Variable Volume Vane Pumps
- Gear Pumps
- Vane Motors
- Axial Piston Motors
- High Speed Motors
- Servo Motors
- Orbital Motors
- Directional Valves
- Flow Control Valves
- Pressure Control Valves
- Relief Valves
- Check Valves
- Stack Valves
- Servo Valves
- Proportional Valves
- PTOs (Power Take-offs)
- Cylinders

HYDRAULIC SOLUTIONS FOR WORK TRUCKS

Haul/Dump Truck, Utility Truck, Refuse Truck, Cement Truck and Plow Truck Support

Connect with us:    

All manufacturers names, symbols and descriptions in this document are used for reference purposes only, and it is not implied that any parts listed is the product of these manufacturers.

YOUR SOURCE FOR REPLACEMENT HYDRAULIC PUMPS, MOTORS, VALVES, PTO'S AND CYLINDERS

ONE-STOP SHOP

We stock and support a long list of manufacturers hydraulic components like pumps, motors, valves, cylinders and PTO's that are commonly found in today's work truck equipment. This support includes reman units and aftermarket units that deliver OEM level performance, high quality replacement parts and first-class repair services.

IMMEDIATE AVAILABILITY

Due to our vast inventory and capabilities, we are sure to have the units and parts you need most, available in stock - ready for immediate delivery from any of our multiple locations across the U.S. and Canada - shipping worldwide.

FIRST-CLASS REPAIRS

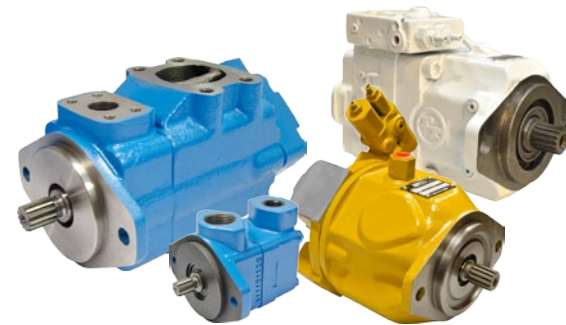

We have the experience and expertise necessary for repairing and remanufacturing hydraulic pumps, motors, valves and cylinders for Haul/Dump Trucks, Refuse Trucks, Utility Trucks, Cement Trucks, Plow Trucks and other work truck applications.

EXCELLENT RELIABILITY

We are so confident in the quality and reliability of our products and services that we back them with an industry leading warranty: 18 months from the time of purchase, 12 months from the time of install.

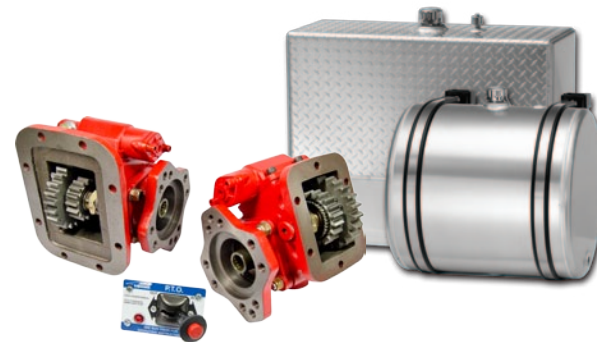

WHETHER IT HAULS, DUMPS, LIFTS, EXTENDS, PLOWS, MIXES OR COMPACTS. WE'VE GOT YOU COVERED.

Piston and Vane Pumps & Motors

We carry a wide variety of reman & aftermarket piston and vane pumps and motors from a variety of manufacturers including Rexroth®, Vickers®, Sundstrand®, Linde®, Eaton®, Denison® and Oilgear®, to name a few. Both our reman and aftermarket units are built with parts that meet or exceed OEM spec and are fully tested before they leave our facilities.

PTO's, Accessories & Tanks

Our aftermarket brand PTOs come in 6 and 8 bolt configurations in both standard and heavy duty setups. With several mounting flange and shifter options, our PTOs offer versatility and ease of installation. Our PTOs are functional replacements for Muncie®, Chelsea® and Bezares®. We also stock a multitude of tank options, shifters, controllers, towers and feathering valves.

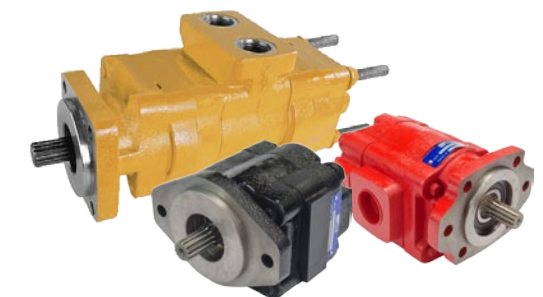

Dump, Unloader & Dry Valve Pumps

Our MHC & MHG dump pumps are available in both 101 remote mount and 102 direct mount configurations and C or G frames. These pumps offer a variety of displacements and "Air Shift" capabilities. The MHUP unloader pump is ideally suited for the refuse market and can be retrofitted on existing packers without major system changes. Our MDV dry valve pump is a practical solution for those applications where you stop the vehicle and shift to engage the PTO.

Orbital Motors

Our aftermarket brand Orbital Motors are your best low speed high torque motor option in an economical and compact design. The motors come equipped with a high pressure shaft seal and also come in a range of displacements: 50cm³/r to 1250cm³/r. They are fit, form and function replacements for common motors in the market today such as Eaton®/Char-Lynn®, Danfoss®, Parker® and White®.

Gear Pumps & Wide Body Pumps

Metaris bearing and bushing pumps & motors are available in 14 models with a variety of mounting flanges, shaft configurations & porting options. Multi-section units, piggyback designs, dowelled assemblies & flow dividers are all available. Our MHP51 wide body gear pump is well suited for applications such as: utility line trucks, refuse equipment, snow/ice control, low boys, transfer/live floor trailers and other heavy-duty equipment.

Cylinders

We regularly repair and reman cylinders found on many different types of work truck applications, like telescopic, dump, side-dump, steering, crane, lift, etc. With our specialty cylinder departments (large, small and telescopic) we are capable of handling any type of cylinder repair. We're also an authorized distributor for Hyco® telescopic cylinders.
