

# HYDRAULEX, NOT JUST A REMAN CENTER.

Don't get us wrong, we do a lot of reman. But we also do a lot of repair work too. We repair main pumps, swing pumps, swing motors, travel motors, final drives, main control valves and cylinders all day long. And the best part is, our repair evaluations are free--this includes disassembly, diagnosis and quoting! So, reman replacement unit or top-notch repair--either way, **we can help you.**

## WANT TO SAVE EVEN MORE MONEY?

Core exchanges are part of the whole reman buying process typically. Meaning all you have to do to save even more money is return your core to us when you buy one of our reman units. We'll give you a core credit based on the condition of your core--it's that simple!

# MOBILE EQUIPMENT REMAN CATALOG

Main Pumps, Swing Pumps, Swing Motors & Travel Motors

All manufacturers names, symbols, part numbers and descriptions in this document are used for reference purposes only, and it is not implied that any parts listed is the product of these manufacturers.

# MINIMIZE DOWNTIME. PLAIN & SIMPLE.

More often than not, your need of getting back up and running from a failed pump is going to be immediate or as soon as possible. Which is where a reman unit comes into play as a great option. And might we also add that purchasing a reman unit is often times faster & cheaper than waiting for the OEM to get you a unit as well. Rest assured though, our reman units are quality engineered to deliver OEM level performance—and are tested and set to OEM specifications. Meaning, our reman units are ready to be put to work as soon as you receive them.

But don't just take our word for it. **Give us a try!**

### DON'T SEE YOUR UNIT LISTED?

This is a partial list of common remanufactured units we typically handle; please call or email us at 1-800-323-8416 or [hrdsales@hydraulex.com](mailto:hrdsales@hydraulex.com) to discuss our ability to support other part numbers not seen here. We can sometimes source a unit for you or we can possibly do a build-to-order unit as well.
