

Hydraulex - A Recognized Global Leading Provider of High Quality Hydraulic Components

Products We Offer

- Inline Piston Pumps
 - Radial Piston Pumps & Motors
 - Bent Axis Piston Pumps & Motors
 - Fixed Volume Vane Pumps
 - Variable Volume Vane Pumps
 - Gear Pumps
 - Vane Motors
- Axial Piston Motors
 - High Speed Motors
 - Servo Motors
 - Orbital Motors
 - Directional Valves
 - Flow Control Valves
 - Pressure Control Valves
- Relief Valves
 - Check Valves
 - Stack Valves
 - Servo Valves
 - Proportional Valves
 - PTOs (Power Take-offs)
 - Cylinders

HYDRAULIC SOLUTIONS FOR AGRICULTURE EQUIPMENT

Tractor, Combine, Seeder, Baler, Mower, Cutter, Hay Compression and other Agriculture Equipment Support

YOUR SOURCE FOR REPLACEMENT HYDRAULIC PUMPS, MOTORS, VALVES, CYLINDERS, PARTS & REPAIRS

ONE-STOP SHOP

We stock and support a long list of manufacturers hydraulic components like pumps, motors, valves and cylinders, that are commonly found in today's farming & agricultural equipment. This support includes reman units and new aftermarket units that deliver OEM level performance, high quality replacement parts and first-class repair services.

IMMEDIATE AVAILABILITY

Due to our vast inventory and capabilities, we are sure to have the units and parts you need most, available in stock - ready for immediate delivery from any of our multiple locations across the U.S. and Canada - shipping worldwide.

FIRST-CLASS REPAIRS

We have the experience and expertise necessary for repairing and remanufacturing hydraulic pumps, motors, main valves, gearboxes & cylinders for Tractors, Combines, Haul Trucks, Cranes, Loaders, Seeders, Balers, Hay Compression Cylinders and other equipment.

EXCELLENT RELIABILITY

We are so confident in the quality and reliability of our products and services that we back them with an industry leading warranty: 18 months from the time of purchase, 12 months from the time of install.

WHETHER IT CUTS, BALES,
COMPRESSES, DIGS, HAULS OR SEEDS.
WE'VE GOT YOU COVERED.

Piston Pumps & Motors

We carry a wide variety of reman & aftermarket piston pumps and motors from a variety of manufacturers including Rexroth®, Sundstrand®, Linde®, Eaton®, Vickers®, Denison®, Oilgear® to name a few. Both our reman and aftermarket units are built with parts that meet or exceed OEM spec and are fully tested before they leave our facilities.

Vane Pumps & Motors

In addition to piston pumps, we stock vane pumps and motors in both remanufactured and aftermarket options. This includes single pumps, tandem pumps and triple pumps. We also stock a large inventory of replacement cartridge kits. Manufacturers include Vickers® and Denison®.

Gear Pumps & Orbital Motors

Our aftermarket line of gear pumps and orbital motors are available in a variety of models and displacements with many options for mounting flanges, shaft configurations & porting. These units are versatile and interchange with many common OEM gear pumps and orbital motors in the market today.

Control Valves

Control valves are an integral part of any hydraulic system. And consequently, can be tricky to replace and repair. Not to mention, valve replacement can be very costly with leadtimes unsatisfactory. At Hydraulex, we have a team that specializes in control valve repair and remanufacturing. We can repair and reman valves back to OEM spec and performance.

Cylinders

We can repair and reman cylinders found on many different types of farm and agricultural equipment, like tractors, combines, loaders, seeders, cranes, trucks, balers, compressors, etc. With our specialty cylinder departments (large, small and telescopic) we are capable of handling any type of cylinder repair.

Replacement Parts

We stock an extensive inventory of OEM and new aftermarket brand piston, vane and gear pump replacement parts. This includes manufacturers such as Rexroth®, Vickers®, Denison®, Sundstrand®, Linde®, Oilgear®, and Eaton®. Our large inventory assures you prompt shipping worldwide.
